I'M LOOKING FOR NEW CHALLENGES

Roma 22 dicembre 2016

Walter Fantauzzi ha lavorato presso la nostra azienda dal 25 giugno 2007 al 20 dicembre 2016 come UX/UI Designer, Web Designer e Front-End Developer.

Walter ha svolto gli incarichi che gli sono stati affidati con correttezza e precisione, presentandosi con puntualità al lavoro e offrendosi di collaborare anche per altre mansioni, in ultima quella di supporto al team di sviluppo, dimostrando che la sua migliore dote è la flessibilità oltre alle competenze nel campo della grafica e della comunicazione.

Posso affermare che nell'incarico svolto ha mostrato anche doti di riservatezza. Tutte queste caratteristiche l'hanno reso per la nostra azienda un prezioso collaboratore.

Resto disponibile a fornire tutte le informazioni che mi saranno ulteriormente richieste.

Progetto P.A. S.r.l.

Amministratore Unico
